## TESTIMONIALS

We owe it to

# SCIENCE & Pote Tutorials STUDENTS

**Engineer**

"As a proud student of Pote Tutorials, I would like to emphasize the outstanding experience I gained while studying. Learning was made easy by the innovative methods used at the academy by the teachers. I owe my career as a successful Mechanical Engineer to Pote Tutorials."

**Computer Professional**

"It was a long association for me with Pote Tutorials from the 5<sup>th</sup> to 12<sup>th</sup> standard. This was the place where other than regular studies I learnt the importance of passion and focus. I sincerely thank Bipin Sir and the Branch Heads for guiding me on the right path."

**Medical Student**

"Today I can't even believe that Biology & Chemistry were my weakest subjects at school. At Pote Tutorials, the subject was simplified in such a manner that I fetched highest marks in these subjects in 10<sup>th</sup>, 12<sup>th</sup> and the Entrance Tests as well. Thank you Pote Tutorials!"

# PARENTS

**Proud Parents**

"Pote Tutorials is simply amazing! Study techniques are taught in a way that makes learning really easy for the children. As parents, we owe our child's career to Pote Tutorials."

**Proud Parents**

"We found the classes well organized, interesting and full of innovative teaching ideas. The teaching and administrative staff are easily approachable and willing to go out of the way for student development."

**Proud Parents**

"The teachers' feedback is something I looked up to in every interactive meet. As a working parent, am' really grateful that I could blindly rely on the teachers at Pote Tutorials for my child's academic progress."
